

# LEADERSHIP FOR REVOLUTIONARY RESULTS

Great athletes and leaders find that powerful coaching is essential for the extraordinary performance they require to achieve their highest aspirations.

**BARRY POGOREL IS A MASTER COACH.** Over the last 40 years he has coached over 10,000 people globally across industries and nations. Whether in courses, workshops, corporate retreats, strategic training, and events, Barry's highly interactive approach engages and empowers them—in the moment and well beyond—to create **Revolutionary Results**. As a transformational consultant and coach, he has led thousands of executives to reach far beyond the limits that stop us all. He has done this for teams, those in the C-Suite, or those on entrepreneurial quests.

Barry works with you on what is most important to you: what most concerns you, the issues you are dealing with, the goals you have. He works with all size companies from start-ups to Fortune 500's. The hallmark of his clients are people who have something big at stake and are seeking all the insight, power, and ability they can get to achieve it.

Barry's clients are an impressive list of Fortune 1000 companies and enterprises; for CEOs, senior executives, and aspiring senior managers; in the US, Europe, Africa, and the Asia-Pacific divide.

## SERVICES & COURSES

### Executive Coaching

Barry is your champion, your confidant, someone who shines a light on your blind spots, who holds you to account to achieve what you aspire to. He knows you can do it even when you think you can't. Empowering, enabling, inspiring.

### High Performance Team Coaching

Create a coherent, collaborative team that operates together in trust, integrity, and honesty with each other.

### Communication Effectiveness

The art and science of deep listening and impactful speaking. Get more done, and faster. Interact with people in a way that is compelling and brings out the best in them.

## NOTEWORTHY PRAISE:

" Barry gets people to innovate, helps groups cohere into powerful teams, and unleashes everyone to go after unprecedented results. I saw already-highly-competent people reach far beyond what they would have done previously. Through this experience I found my own achievement reach just as far beyond my own expectations. "

— Fred Kleisner

Four decades as CEO and COO  
of five international hospitality companies

### Leadership Development

Powerful leadership is not simply what you know, but who you are. Grow and develop as a leader. Expand your ability to exercise leadership effectively. Catalyze others into action.

### Strategy and Implementation

Create a sound strategy that unquestionably will lead to your objectives, and then learn the skills and create the structures needed to execute purposefully. Align everyone to be in action to realize a new future.

### Accelerate Results Courses

*Being a Leader and the Effective Exercise of Leadership* is a course to elevate team performance

*Mission Control: Power, Freedom, and Peace of Mind* is a system to stop overwhelm and stress, get on top of everything in your life personally and professionally.

*Private customized courses to meet specific client needs.*
